NEDES, s.r.o. is committed to ensuring the accessibility of its websites in accordance with Act No. 95/2019 Coll. on Information Technologies in Public Administration and on the Amendment and Supplementation of Certain Acts, as amended (hereinafter referred to as “Act No. 95/2019 Coll. on ITVS”) and the relevant implementing regulations.

This accessibility statement applies to the following websites:

Compliance Status

These websites are partially compliant with Act No. 95/2019 Coll. on ITVS and the relevant implementing regulations due to the non-compliances listed below.

Non-accessible Content

Some elements on the websites may not meet all accessibility requirements. Specifically:

- The labeling of form fields is not always clearly associated with their description (WCAG Criterion 1.3.1),
- User registration for visually impaired users is not possible directly through the customer section – registration occurs only during the ordering process. (WCAG Criterion 3.3.3 – Error Suggestion)
- Videos do not include subtitles (WCAG Criterion 1.2.2).
- The product contact form located under the “*Need advice*” tab includes a security feature that is not accessible to users with visual impairments. For this reason, these users can communicate with the e-shop operator through standard contact channels.

We are working on resolving these shortcomings in the upcoming website updates.
